

Are you up for the challenge?!

Applications for the 2018 NZCB Apprenticeship Challenge are now open!

Competitors will be tasked to complete a challenging project for a specific end user within the allotted 8.0 hours. Thanks to ITM's sponsorship, every competitor will receive a prize pack for participating as well as major prizes up for grabs for 1st, 2nd and 3rd place getters!

The Challenge is open to apprentices employed by NZCB builders or enrolled with ITAB. *conditions apply

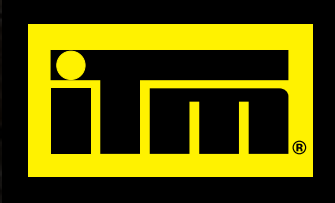

Have you got what it takes to go all the way?

Keep an eye on nzcb.nz/apprenticeships/ for all the details!

**The fine print: Competitors can be at any stage of their apprenticeship, regardless of age or experience and if they are lucky enough to progress to the National Final in May 2018, they must still be a current apprentice. Competitors must be enrolled in a recognised apprenticeship programme and must be up to date with any associated apprenticeship fees or training related expenses.*
